BASE TABLE by THISMADE

– elegance and purity make this table a real design statement.

The special characteristic of BASE is the seamless mitre joint of the table top and legs. BASE is available in various types of wood and sizes. The surface is oiled.

Version: the legs run at 90° to one another, thus creating a unique design.

BASE BED by THISMADE

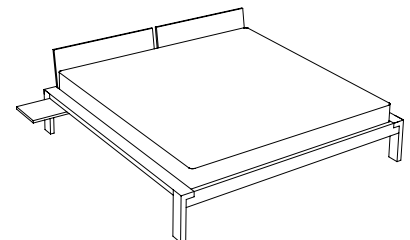

– the weightlessness of solid wood.

BASE is manufactured individually: the type of wood, size and fittings – e.g. optional headboard and side shelves – can be freely selected.

The surface is oiled.

Extension options: headboard and side shelves as well as further sizes and types of wood
